COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in any available **IT-related position** within your organization. With over **five years of experience in IT infrastructure, technical support, and network administration**, I am confident in my ability to contribute effectively to your team.

In my current role as an **IT Specialist**, I handle a wide range of responsibilities including **system troubleshooting, network support, firewall monitoring, and server administration**. I have hands-on experience with **Windows Server 2019, Active Directory, and FortiGate firewall**, as well as providing **end-user support** and **maintaining system performance** in an enterprise environment.

Throughout my career, I have developed strong **problem-solving skills, adaptability, and the ability to work under pressure**. I am comfortable handling both technical and operational tasks, and I am always eager to learn new technologies to improve my capabilities.

I am particularly interested in opportunities where I can further develop my skills in **infrastructure**, **networking**, and **cybersecurity**. I am confident that my experience, work ethic, and willingness to grow will allow me to be a valuable asset to your organization.

I would welcome the opportunity to discuss how my background aligns with your needs. Thank you for your time and consideration.

Sincerely,
Dave Marc Amacio
